SPECIAL THANKS...

We especially thank Bill Barker.
For this production, Bill Barker designed and built the revolving stage
which will now be available for future auditorium productions. He was assisted
by his High School Welding and High School Theater Tech classes.
We sincerely appreciate their efforts!

Encore!

Ardingers's

FROM THE DIRECTOR:

The stories about Tevye and Golde and their daughters by Sholom Aleichem are unlikely material for a musical comedy. However, it has had unparalleled success throughout the world; I have never had so many tell me it is their "favorite." For many years we have talked about doing it in Kodiak. Finally, here it is!

With so much expectation, I wanted to wait until I felt we were ready. Such a big show takes a tremendous amount of talent, expertise, experience and dedication. It is amazing that Kodiak is able to mount a production like this at all - let alone in such an accomplished fashion. I am so very proud of our tech people, our actors, our directors, our musicians, our staff and other volunteers. They are true pros.

God bless them!

What you see is the result of years of commitment and plain hard work by those in Kodiak who believe in creativity and the arts. In many ways, *FIDDLER* is the pay-off. It is a beautiful, delightful, moving show. We are ready.

"We've come a long way, baby."

--Gerry Wilson
