Special Thanks!

Many, many thanks to all the parent and adult volunteers who gave extra help to get our production up and running! I have had an absolute ball with the technical crew this past two weeks. What a creative and interesting bunch! For extra effort above and beyond the call of duty, I would especially like to thank: Blythe Brown, Michelle Isabelle, Wendy Johnson, Judy Phillips and Barb Thompson.

- Tamie

It has been a great pleasure to work with all of your extremely talented children. I am continually amazed at the wealth of talent we have in our community. I wish to thank all of you for sharing your children with me for these past weeks, and your children for all the hard work they have put in to make this show work. All this would not have been possible without my partners in crime: Tamie (Behind the Scenes Wonder Woman), Leah, (Mini me), Carly Jimmy, Girl Wonder), and Wendy (Six Million Dollar Customer Extraordinaire). We also could not have reached this stage of the fun without our "motley crew" of parent helpers, friends, and other crazy people with way too much time on their hands! Your help, (and the steady supply of caffeine), has been appreciated more than you can even guess. Thank you friends.
