

# Spring Arts 21

**Get creative at home over spring break - March 15 to 19 - with our virtual classes & take-home kits.**

Virtual classes will be held over Zoom video conferencing. Prior to class, families will pick up art supplies (included in tuition) unique to each class.

## ALUTIIQ ZENTANGLE

with Denise Anderson and Susan Malutin  
10 am to 11am | Ages 8 and up  
Tuition: \$40 (one-week class)

Drawing Zentangles is a fun & relaxing way to create beautiful images with structured patterns using line, shape, and value. Students will be able to appreciate and honor Alutiiq culture through representing traditional items, animals, and plants in their artwork.

## CUT PAPER COLLAGE

with Rhonda Horton and Marjorie Solano  
1 pm to 2 pm | Ages 8 and up  
Tuition: \$40 (one-week class)

Explore design process to create original compositions in cutout paper collage. Following famous artist Henri Matisse's technique "Drawing with Scissors" and contemporary artist-printmaker Rhonda Horton, students will learn the elements and principle of design to create original works of art.

## TAKE-HOME KITS

Spring Arts includes two offerings as stand-alone take-home kits, accompanied by instructional videos. There will be no Zoom classes with these kits and the activities can be completed anytime!

### MARINE MOSAICS

with Kathy Johnson | \$65

Explore your creativity and create a glass tile mosaic salmon, halibut, starfish or whale tail. Watch an instructional video with Kathy for special tips & techniques.

### ACRYLIC POURING

with Megan Ivanoff | \$60

Create abstract masterpieces by experimenting with color and technique. In this special take-home kit students will receive two canvases, two wood cutouts, and a variety of paint (colors vary) for pouring.

## HAND LETTERING

with Brianna Gibbs & Beth Routzahn  
11 am to 12 pm | Ages 8 and up  
Tuition: \$40 (one-week class)

Learn how to elevate your writing to the next level! Explore block letters, simple and weighted cursive, fun fonts, 3D techniques and more. This supply kit includes pencils, markers, a ruler and eraser, and practice and decorative paper.

## CARTOONS & COMICS

with Lee Post and Taylor Holen  
3 pm to 4 pm | Ages 8 and up  
Tuition: \$40 (one-week class)

Comics are a mighty tool to explore illustration and storytelling! Anchorage teaching artist Lee Post has developed activities to work with a wide variety of students & ages. By using short, fast-paced, cumulative lessons, students put skills in to practice quickly and move past any doubts about their artistic talents, building a lifelong love for creating on their own terms.
